Remember guys,  
You can always achieve victory over  
fear. That's why we should not fear  
the Income Tax Department but befriend  
it by paying our taxes and get  
awarded too. Isn't it exciting?

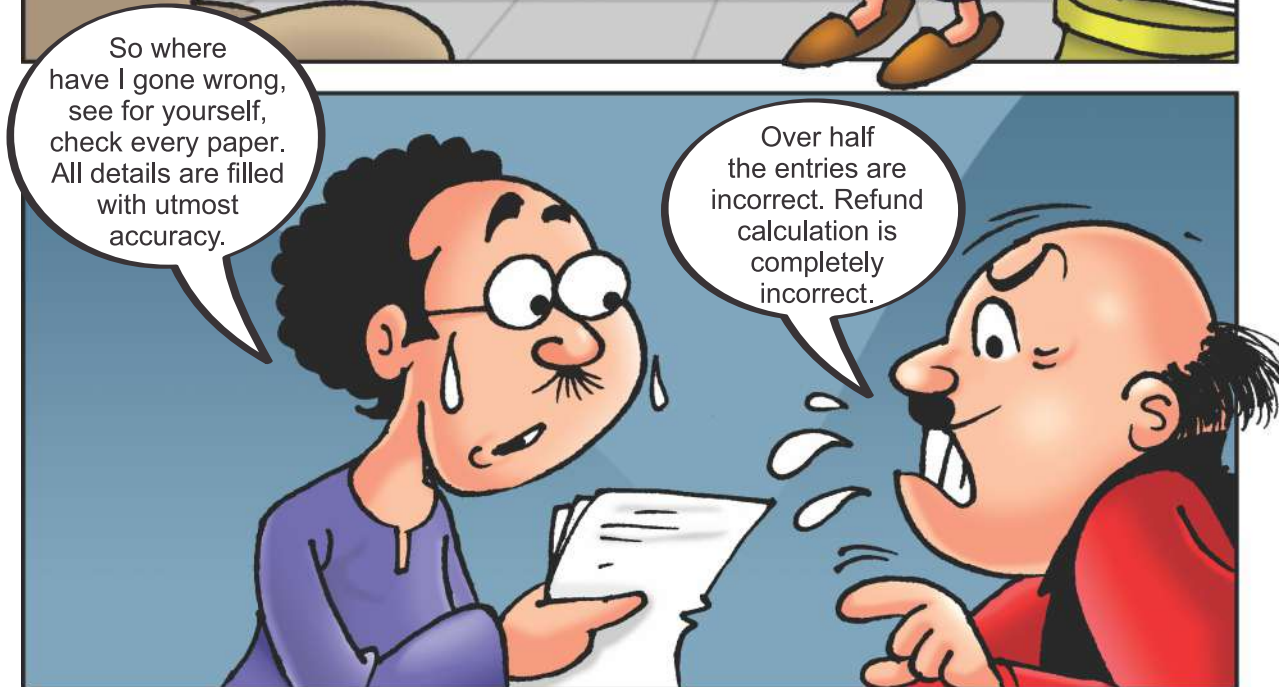

BEST  
TAXPAYER  
OF INDIA

**Taxa is my name.  
Tax information is my game.  
Coz tax is what I eat. And tax is what I sleep.  
With me, my friend, you will never weep!**

# Motu Patlu & VICTORY OVER FEAR

Conceptualized by the Directorate of Income Tax (PR, P&P),  
Mayur Bhawan, New Delhi

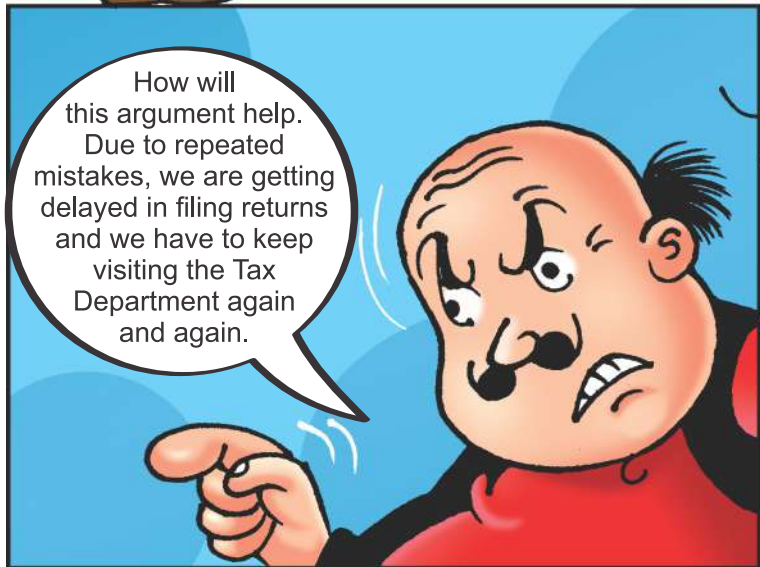

As per your calculation, the tax payable is too high but actually it is much lesser.

I am a human and not a robot like Taxa, who is always accurate.

Oh boy, now you recognise Taxa's intelligence.

What if we come under 'scrutiny' because of this incorrect information. Now I'm really scared. Buhuhu

How will this argument help. Due to repeated mistakes, we are getting delayed in filing returns and we have to keep visiting the Tax Department again and again.

Don't worry as long as Taxa is there. You will taste victory by overcoming your fear.

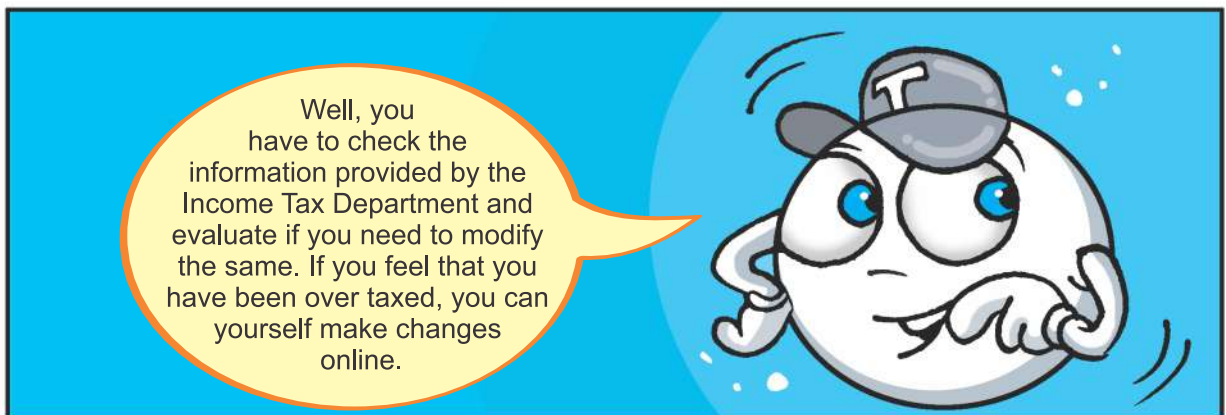

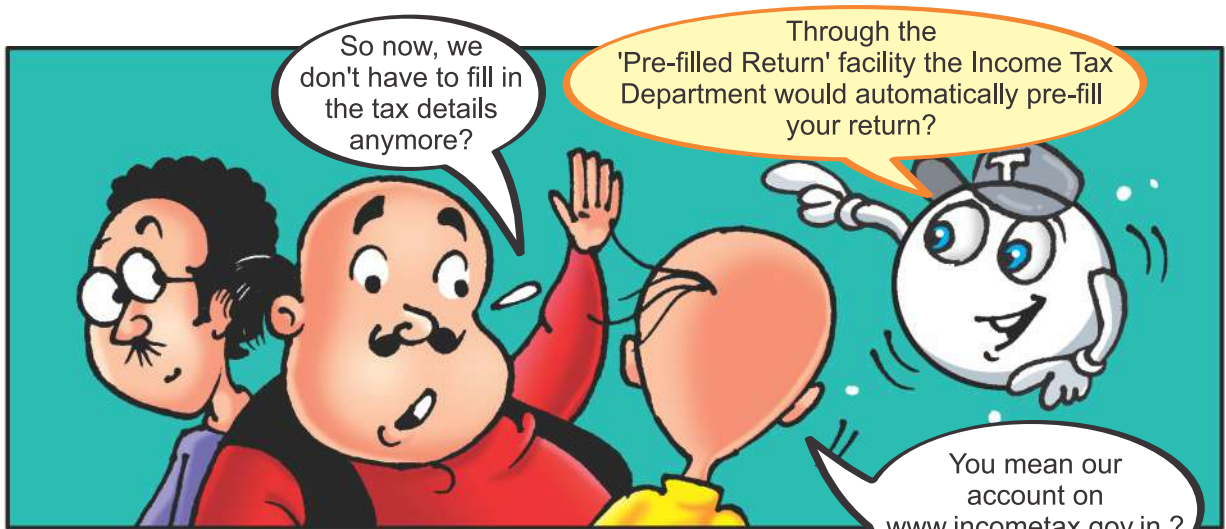

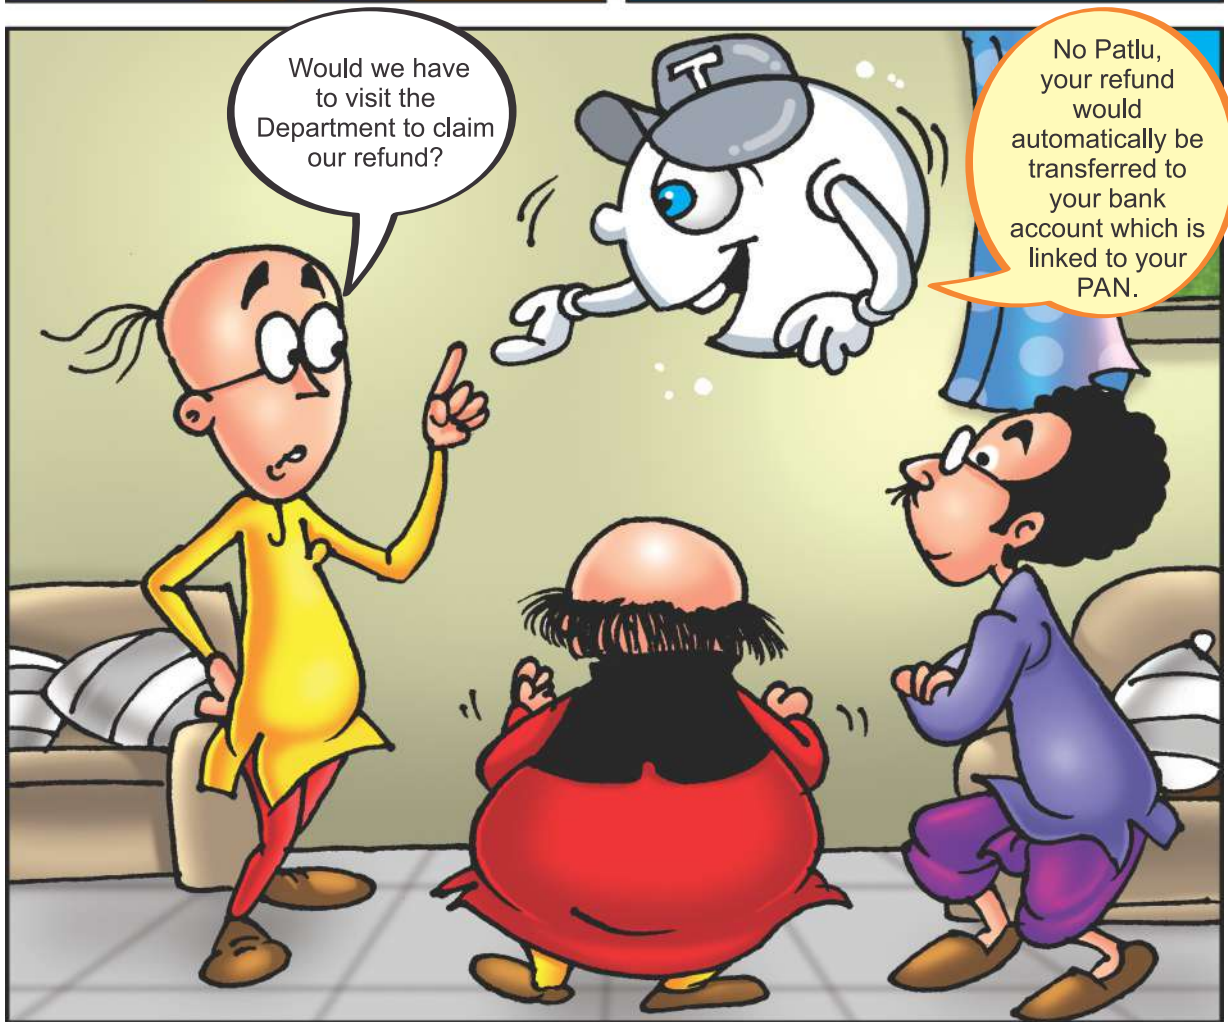

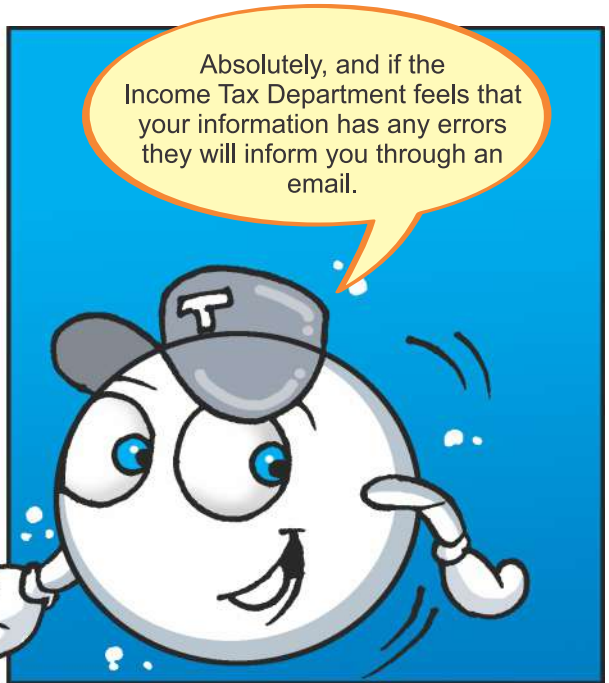

Thank God you are here to rescue us Taxa. Ghasita Ram was going to really mess up our Income Tax calculations.

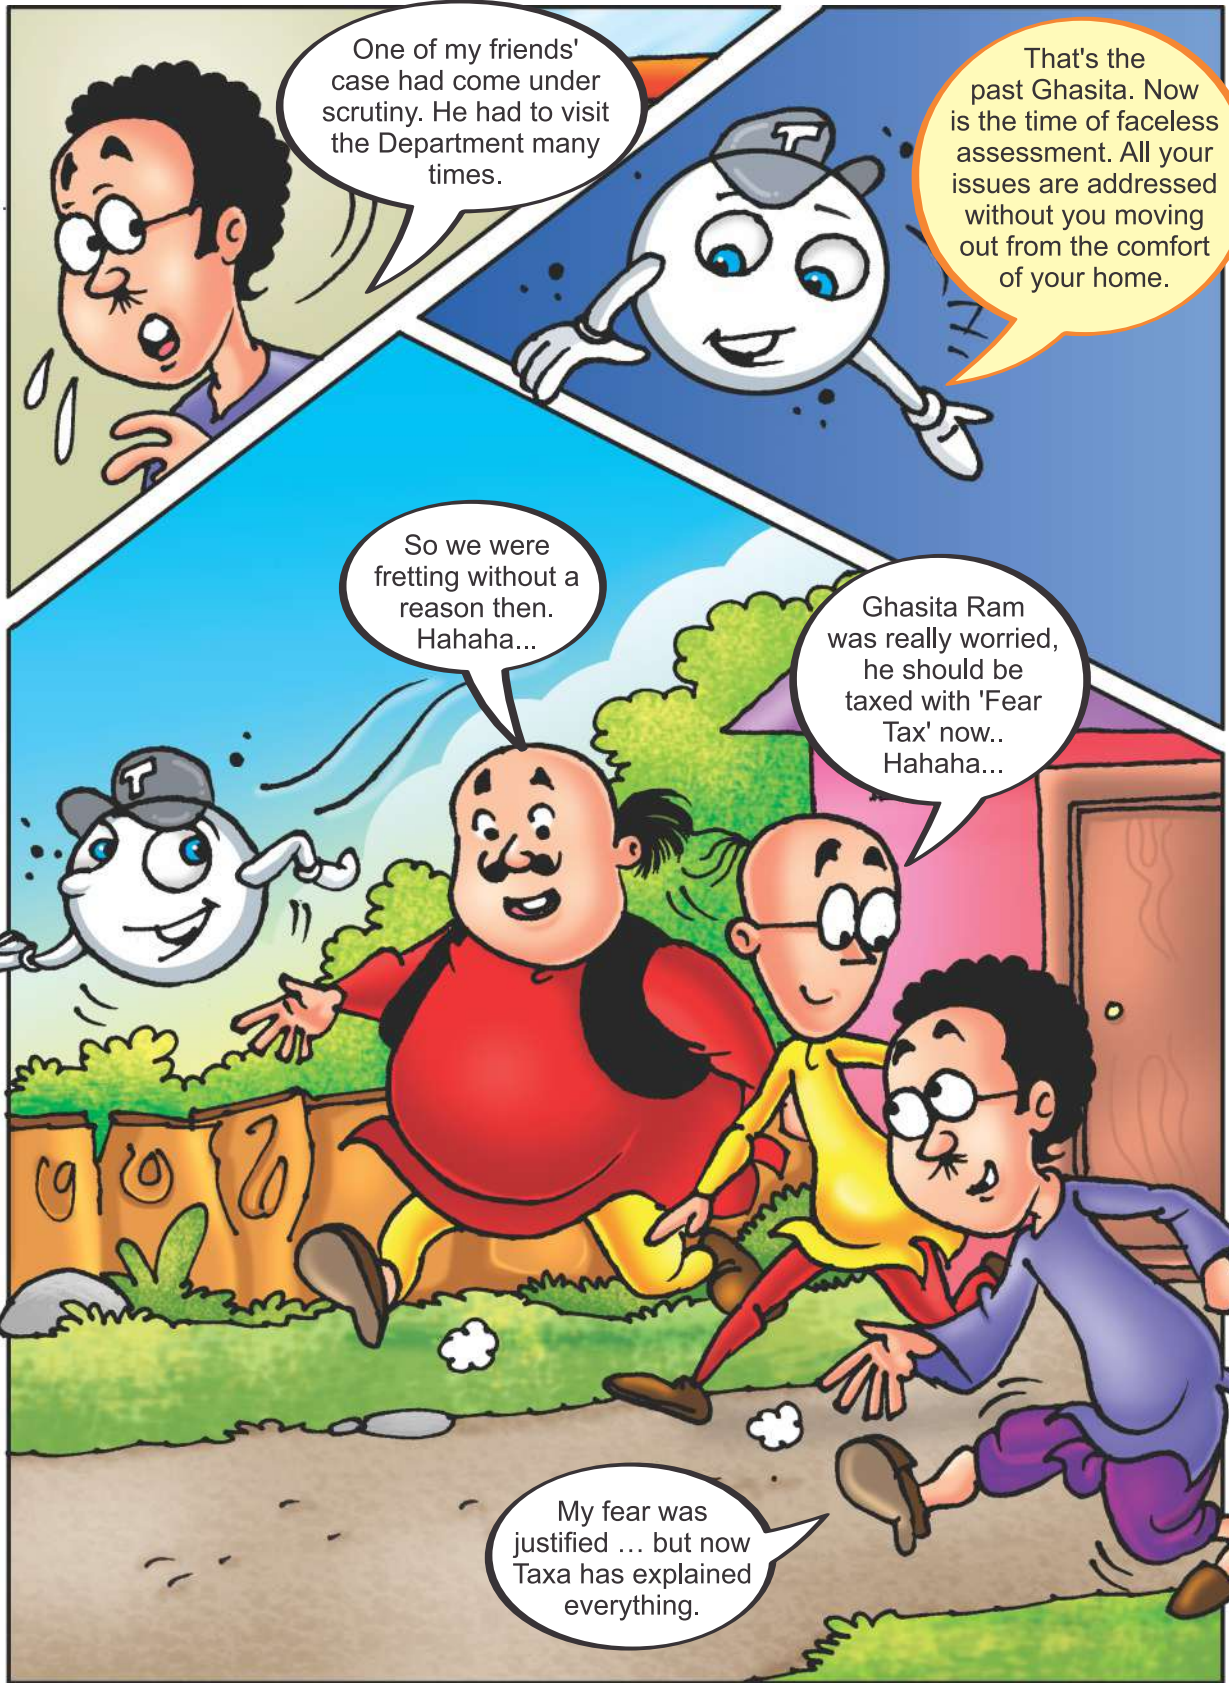

What have I done here, neither you have any clue about refund nor you fill the tax details correctly. First you hesitantly give only part details and then you put all the blame on me.

You don't need to be fearful anymore Motu Patlu. Now the Income Tax Department is online and advanced.

One of my friends' case had come under scrutiny. He had to visit the Department many times.

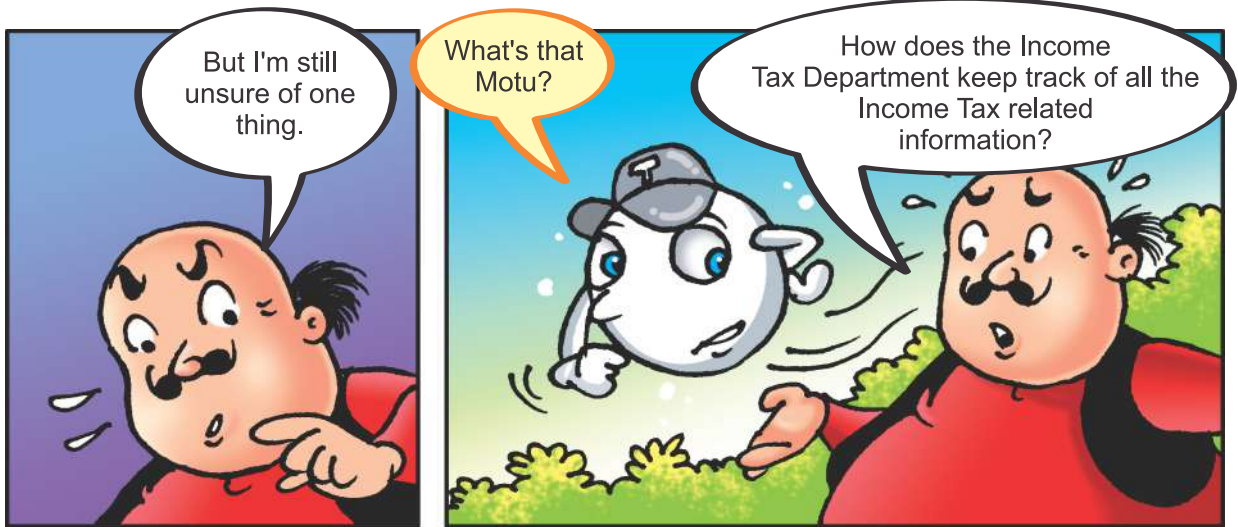

That's the past Ghasita. Now is the time of faceless assessment. All your issues are addressed without you moving out from the comfort of your home.

So we were fretting without a reason then. Hahaha...

Ghasita Ram was really worried, he should be taxed with 'Fear Tax' now.. Hahaha...

My fear was justified ... but now Taxa has explained everything.

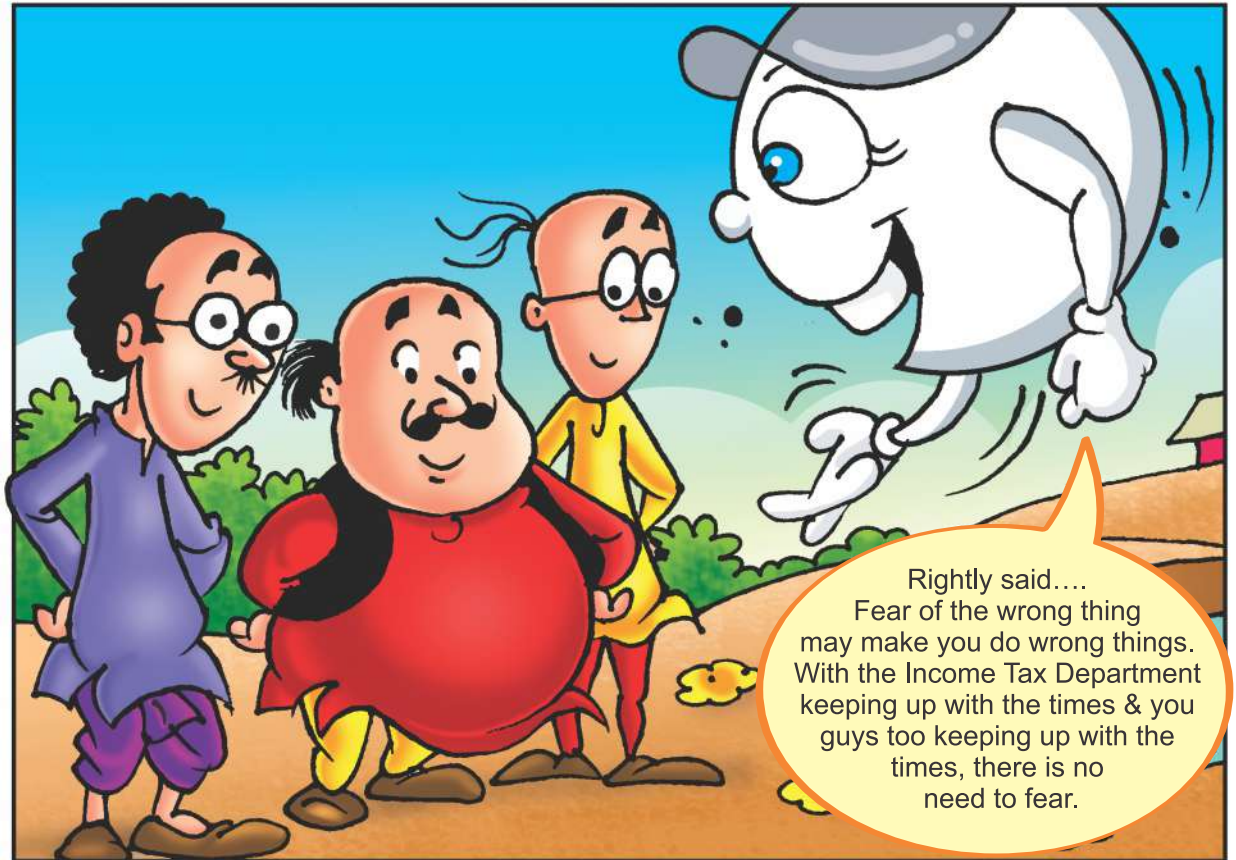

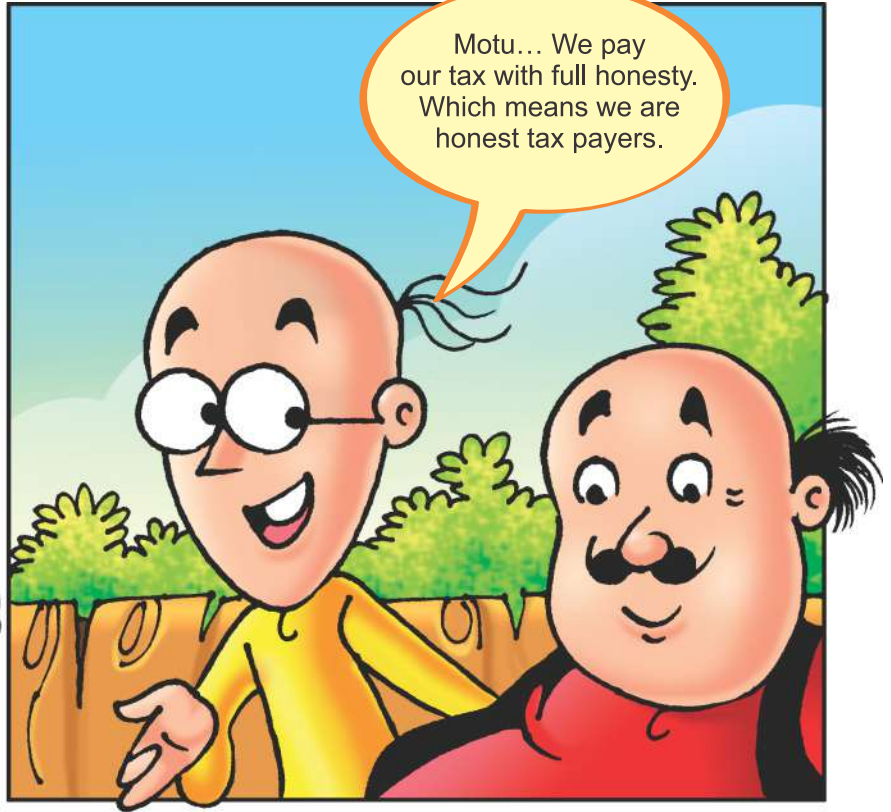

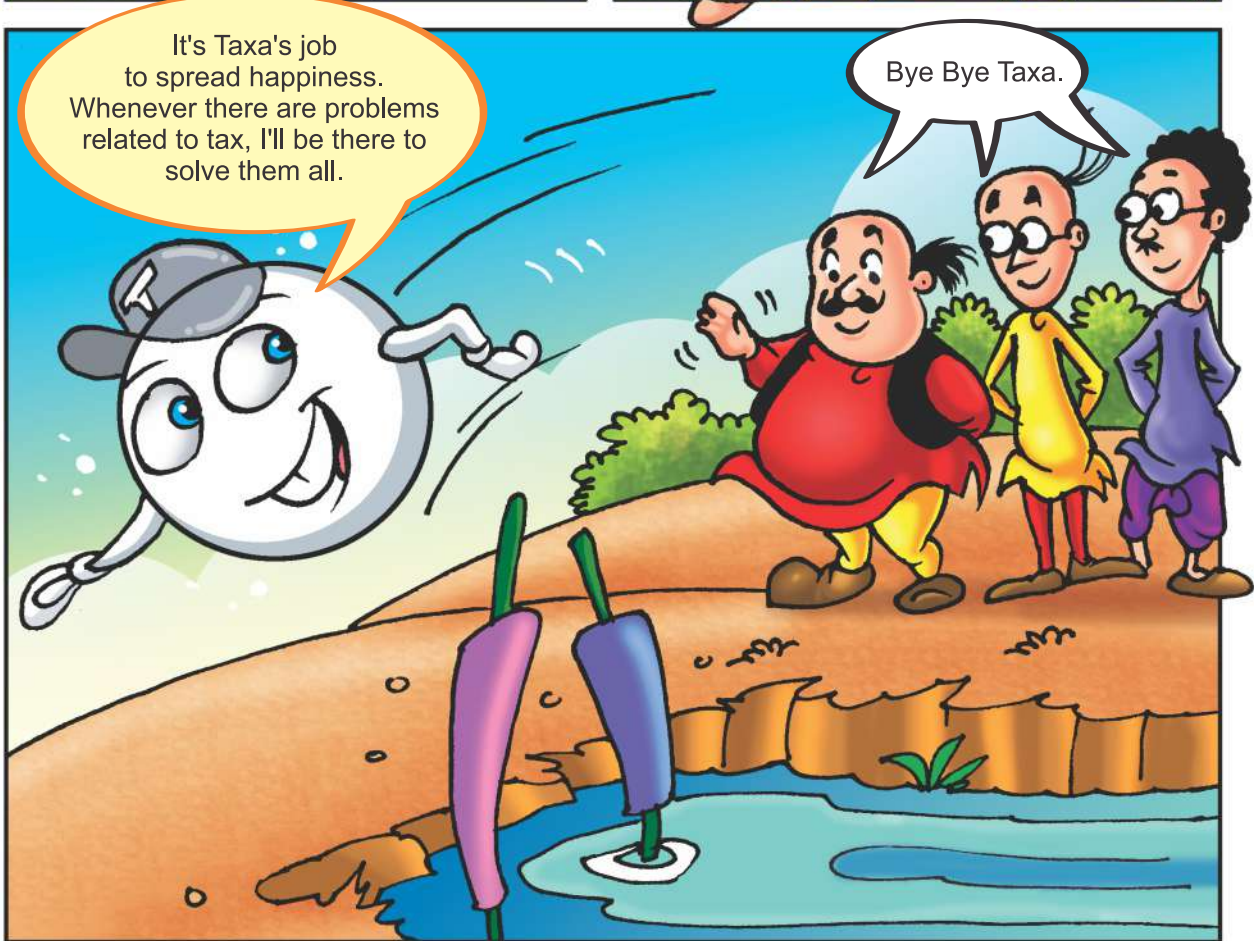

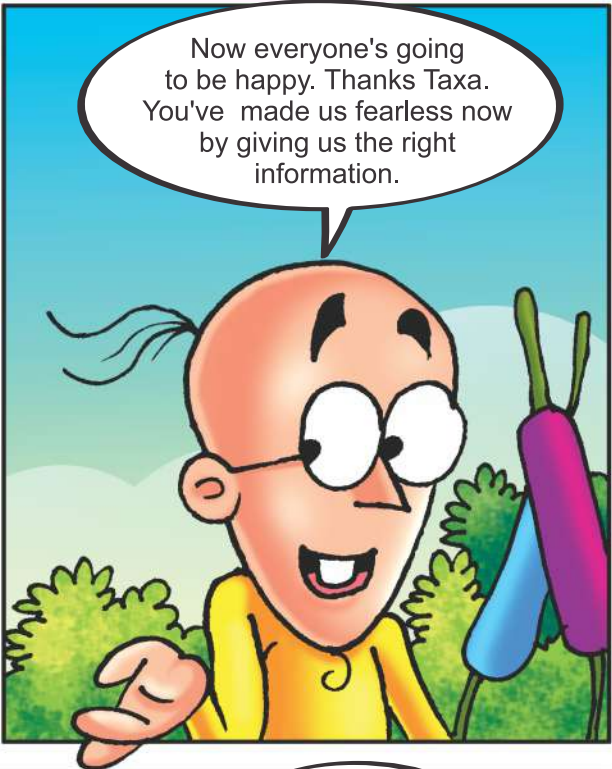

When everything is as transparent as glass, there is no need to be fearful at all.

Motu... We pay our tax with full honesty. Which means we are honest tax payers.

Rightly said....  
Fear of the wrong thing may make you do wrong things. With the Income Tax Department keeping up with the times & you guys too keeping up with the times, there is no need to fear.

Later

Motu, you used to be so scared of swimming. Where did you get the courage to jump in... hahaha.

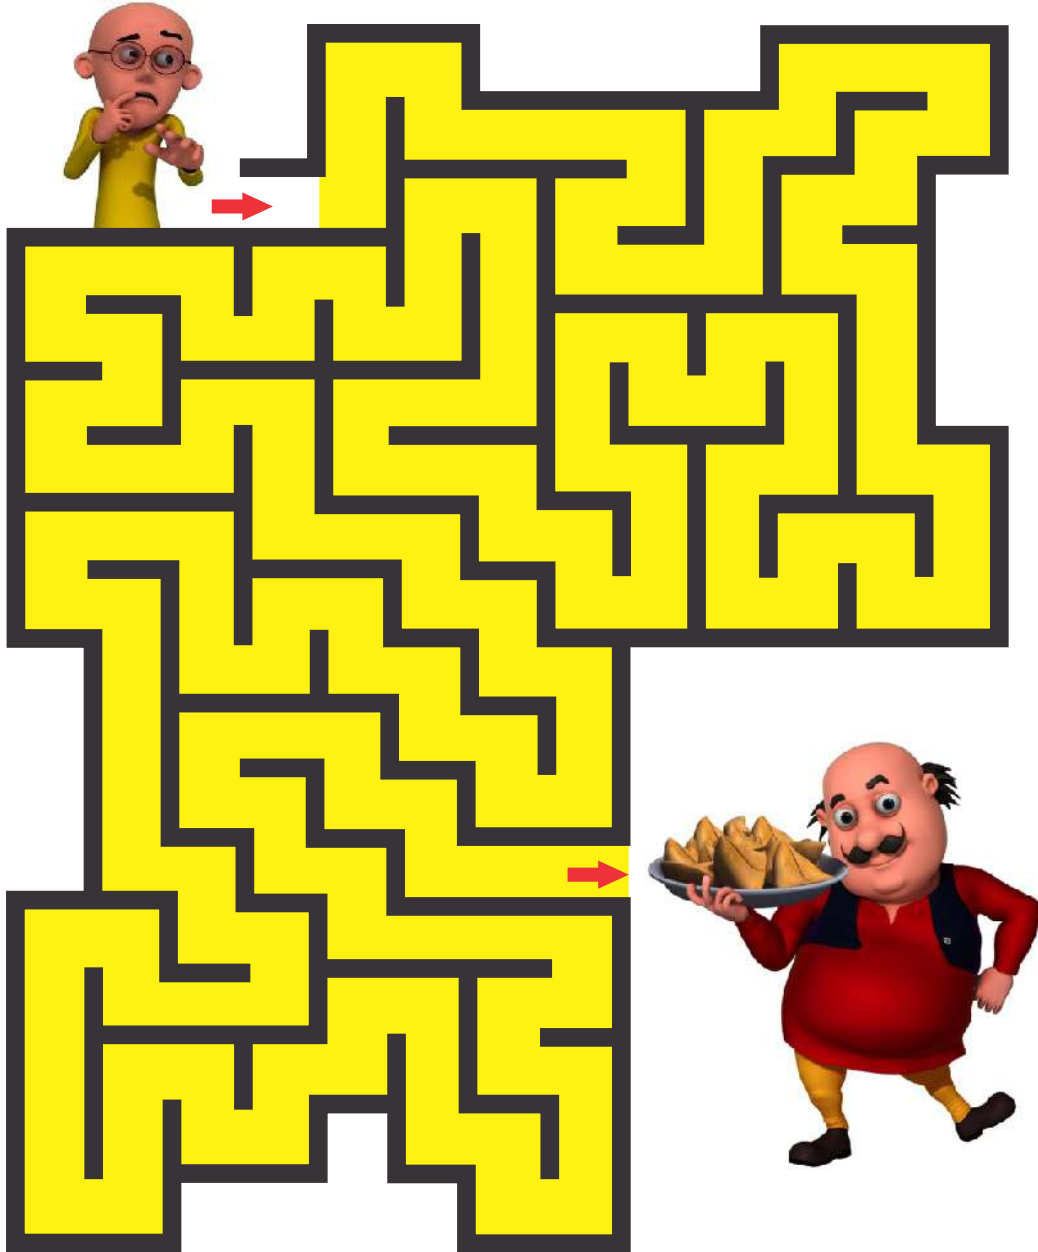

There's victory beyond fear. Now that I'm not scared of Income Tax anymore, I feel energetic again. Why to fear water when you want to enjoy swimming.... Hahaha.

Well said! Taxa relieved us of our fears and showed us the way to live joyfully.
